

HARSHA GANESH KARLE

+91 9392334736 | harshaganeshkarle@gmail.com | HarshaGaneshKarle/linkedin | Hyderabad, Telangana

PROFILE

Recent graduate with a passion for software development and problem-solving. Experienced in developing web applications and machine learning projects through academic and internship experience. Eager to contribute technical skills and continue learning in a professional environment.

TECHNICAL SKILLS

- **Programming Languages:** Python
- **Web Technologies / Frameworks:** HTML, CSS, JavaScript, Flask
- **Databases:** MySQL, SQLite
- **Tools & Platforms:** Microsoft Excel, Power BI, Git, GitHub, VS Code
- **Soft Skills:** Analytical Thinking, Team Collaboration

PROJECTS

Heart Rate–Body Temperature Analysis | Machine Learning

- Developed a Python-based machine learning model to analyze heart rate and body temperature data from patients in Pediatric Intensive Care Unit (PICU)
- Performed data preprocessing, feature analysis, and correlation modeling on clinical datasets

Gym Buddy Finder | Python, Flask, SQLite, HTML, CSS, JavaScript

- Built a full-stack web application that connects gym enthusiasts by city and ZIP code, featuring location-based search and filtering to find nearby training partners.
- Developed RESTful APIs using Flask with PIN-based authentication for secure listing management and integrated SQLite for persistent data storage.

INTERNSHIP

Web Development Intern | Cognifyz Technologies

Nov 2024 - Dec 2024

- Completed daily web development tasks involving HTML, CSS, and JavaScript to build functional web pages
- Identified and resolved front-end rendering issues to ensure consistent cross-browser performance
- Strengthened understanding of real-world development workflows and deadlines

AI & Machine Learning Intern | Elevate Labs

June 2025 - July 2025

- Completed tasks involving data processing and basic ML model validation using Python
- Analysed model outputs and documented results for real-world use case
- Built and optimized ML pipelines using Python for real-world tasks

EDUCATION

Bachelor of Technology in Computer Science Engineering

Narsimha Reddy Engineering College, Hyderabad

CGPA: 7.82 | 2022 – 2026
